INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Dear Commissioner:

Pursuant to the continuing duty of disclosure set forth in 37 CFR 1.501(a), Patent Owner hereby directs the attention of the PTO to the following references, which were only recently received by Patent Owner's representative.

Further to the Information Disclosure Statement filed on October 19, 2010, Patent Owner submits that the references listed herein were mentioned in related Civil Action No. 3:07-cv-04222-MLC-JJH, by Greenville Communications LLC v. Cellco Partnership, d/b/a Verizon Wireless, *et al.*, currently pending in the District Court for the State of New Jersey, Trenton Division. These references are being submitted to the Office in an abundance of caution. Patent Owner's representative is unaware of the materiality of these references to the instant patent, other than the fact that they were introduced by a third party in litigation related to the patent (the Firm of the undersigned handled Reexamination proceeding No. 90/010,206 ("the Reexamination Proceeding")). Furthermore, Patent Owner's representative has not made a determination whether these references constitute prior art to the instant patent.
